1. Critical Technical Findings

Client error HTTP 404

ERROR • 1 URL

The requested page returned a 4xx client error status.

> **Recommended Remediation:** Fix or remove internal links pointing to this broken URL, or configure a 301 redirect to a relevant page.

Affected Sample: `https://www.bkpainters.co.nz/cdn-cgi/l/email-protection`

Missing HSTS header (Strict-Transport-Security)

NOTICE • 24 URLS

Strict-Transport-Security header is not sent by the web server.

> **Recommended Remediation:** Add Strict-Transport-Security with max-age to enforce HTTPS in modern browsers.

Affected Sample: https://www.bkpainters.co.nz/, https://www.bkpainters.co.nz/understanding-paint-durability-types-finishes-and-lifespan, https://www.bkpainters.co.nz/blogs, https://www.bkpainters.co.nz/importance-of-periodic-roof-painting, https://www.bkpainters.co.nz/painting-services-in-palmerston-north

Title tag is short (19 chars)

NOTICE • 6 URLS

Title is under 30 characters and may miss keyword opportunities.

> **Recommended Remediation:** Expand title to 30–60 characters with descriptive branding.

Affected Sample: https://www.bkpainters.co.nz/blogs, https://www.bkpainters.co.nz/contact-us, https://www.bkpainters.co.nz/services, https://www.bkpainters.co.nz/about-us, https://www.bkpainters.co.nz/sitemap

Title tag is long (66 chars)

NOTICE • 3 URLS

Title exceeds 65 characters and may be truncated in search results.

> **Recommended Remediation:** Shorten title to under 60 characters to prevent SERP truncation.
